

Karla Ng is involved in all aspects of Fengate's investor relations initiatives across the infrastructure, real estate and private equity platforms. In this role, Karla is responsible for assisting in the maintenance of relationships with existing and prospective investors and she supports key business development initiatives across the firm.

Prior to joining Fengate in 2017, Karla worked in financial services at SS&C Technologies and Citco Canada, where she provided first-rate client servicing for hedge fund investment managers.

Karla holds a Bachelor of Commerce degree from Ryerson University specializing in business technology management and accounting.
