

Faith Woodard is responsible for P3 infrastructure asset management. Her role includes ensuring that project deliverables, asset performance, and stakeholder expectations are achieved. Faith oversees operations of Emily Carr University for Arts + Design and Saskatoon Civic Operations Centre.

Faith joined Fengate in 2017. Previously with Fraser Health Authority, and before that with the John Laing, Faith has spent her career working in the P3 industry, on both the public and private side.

Faith holds a Bachelor of Business Administration from the University of the Fraser Valley and is a credentialed Project Management Professional (PMP).
