

Kristen focuses on originations, the evaluation and identification of new investment opportunities, and market intelligence, and she plays a role in the broader private equity group strategy.

Prior to joining Fengate in 2018, Kristen worked at PwC with many large and small asset managers in the audit and assurance group followed by the Deals Group where she focused on valuations of private companies in diverse industries.

Kristen holds both a Chartered Professional Accountant and Chartered Business Valuator designation as well as a Bachelor of Business Administration from Wilfrid Laurier University.
