

Brandon Tracey is a senior member on the Fengate Infrastructure investments team. His responsibilities include the evaluation and execution of Fengate's energy transition investments as well as overseeing Fengate's platform company investments.

Prior to joining Fengate in 2015, Brandon was with SunEdison, where he was involved with the development, financing, design, construction and operations of more than 1GW of renewable energy assets.

Brandon holds an MBA from the Sauder School of Business at the University of British Columbia and a Bachelor of Applied Science from the University of Windsor.
