

Steven is responsible for the valuation, financial modelling and analysis of Fengate's infrastructure investments.

Steven manages the financial planning and analysis team, which works closely with the commercial asset management and fund administration groups to create value, mitigate risk and optimize the performance of Fengate's diverse infrastructure assets.

Prior to joining Fengate in 2018, Steven held positions within the private client services group of the assurance division at PwC.

Steven is a member of the Chartered Professional Accountants of Ontario and holds an Honours Bachelor of Commerce from McMaster University.

Steven Dueck

Associate Vice President, Financial
Planning and Analysis
