

Vince Castronovo works exclusively on Fengate's infrastructure funds. He is responsible for sourcing investment opportunities, transaction execution, bid management, and research of new investment opportunities.

Prior to rejoining the Fengate Infrastructure investment team at Fengate in 2016, Vince spent 15 months working for the Infrastructure and Natural Resource Group at the Ontario Teachers' Pension Plan.

Vince started his career at Fengate as an analyst in 2012. Vince holds an Honours Bachelor Applied Economics from Queen's University.
