

Ryan Cavanagh

Vice President, Financial Planning and
Analysis

Ryan Cavanagh is responsible for the planning, oversight and review of all financial planning and analysis for the Fengate corporate finance team. In addition, Ryan assists with the administration and ongoing development of Fengate's ERP system, NetSuite.

Prior to joining Fengate in 2017, Ryan was Manager for the Tim Hortons brand with Restaurant Brands International, and an audit associate in the Financial Institutions group at KPMG.

Ryan holds an Honours Business Administration from the Richard Ivey School of Business at Western University, as well as a CPA, CA designation with the Chartered Professional Accountants of Ontario.
