

As a member of the corporate support services group, Anna oversees information technology and office administration, and is active in the delivery of internal projects.

Anna has more than 15 years of progressive project management experience spanning across both information technology and business functions. Prior to joining Fengate, Anna held a number of roles with a major Canadian financial institution, including positions within information technology, global banking and Canadian banking. In her most recent position, Anna provided project management and program governance support for a nationwide, multi-year program.

Anna earned her Bachelor of Arts, Business Administration and Economics from Brock University as well as a Master of Arts, Economics from the University of Guelph. She is also a certified Project Management Professional.

Anna Chiarini

Senior Vice President, Internal Operations
