

Paul Paolone is a member of the Fengate Infrastructure management team and is responsible for managing P3 projects across Southern Ontario. His resume includes the Providence Care Hospital, the Centre for Addiction and Mental Health Phase 1B, and the William Osler Health System.

Prior to joining Fengate in 2020, Paul was a Consultant at Revay and Associates Ltd. where he prepared, analyzed and negotiated construction claims. Paul was also an Associate Director at Apleona Inc. previously, where he managed multiple P3 infrastructure projects across Canada. Paul brings with him 10+ years of progressive experience in the Engineering and Construction industry.

Paul holds a Bachelor of Civil Engineering and Management, Summa Cum Laude from McMaster University.
