

Anthony Sobel is an M&A advisor focusing on the sell side. Most recently, Mr. Sobel served as CEO of Montana Metal Products, LLC (MMP), a precision sheet metal fabrication and machining company located in Des Plaines, IL. He led the successful sale of MMP in late 2014. Mr. Sobel also served on the Board of YPO International for two terms, and as a Director and Chairman of the Board at CSI Technology Outfitters, a provider of software and hardware solutions. Anthony also serves on the Board of Directors of Acme Finishing Company, The SmartSource, DPI Off Road Brands and Ecosystem Irrigation. Anthony currently serves on the Fengate Private Equity Advisors Council and is a Fengate-appointed Director of Seasons Retirement Communities and the Newgate Industrial Services fund.
